

# Improve your body and mind!

## Improve your game!

The Real CBD Golfers oil was created by golfers looking for a natural, organic way to improve their game and just feel better! 1500mg of pure organic full spectrum CBD.

Gain an edge by improving your focus, with less stress in your back swing and putting stroke. Recover faster, perform better.

Golfers CBD oil is custom formulated for golfers aiming to increase their focus, reduce stress, relieve anxiety, help treat inflammation, and aid in restful, restorative sleep.

We use only organically grown hemp to produce The Real CBD, bringing nature's healing properties to you and your game. The Real CBD Golfers oil 15%, has proven very beneficial for golfers and people who do sports. We have chosen MCT as a carrier oil because of the amazing results we have seen with our Athletes oil. All tried and tested!!

CBD oil is known to reduce inflammation and have a painkilling effect. It can help prevent and protect against activity-based damage as a daily herbal solution. Just take this as you would your daily multi-vitamin – and see your health and game improve
